# Stand-alone Workshops

Our 1-2 hour stand-alone workshops can be used to compliment your curriculum topics in History, Literacy or PSHE. These workshops aim to enhance the learning experience through practical exploration (role-play, storytelling, devising) whilst developing children's confidence, interpersonal and social skills. Here are some of the workshops we offer:

- Themed History Workshops: Ancient Egypt, Greek Mythology, Roman Life, Viking Invasions, The Great Fire of London, The Tudors, A Peasants Life, A Royal Life, Our Town, Victorians, World War II. These workshops include fun costumes.
- Author Workshops: Roald Dahl, JK Rowling, Phillip Pullman, David Walliams, Michael Morpurgo, C.S Lewis, Charles Dickens.
- Shakespeare: We can explore one specific play or deliver a general Shakespeare Workshop, exploring themes and language.
- PSHE: Bullying, Healthy Me, My Body, Feelings & Emotions.

We can tailor a workshop to your specific needs. Our workshops are very reasonably priced. For more details and a quote email [info@dorsetdramaacademy.co.uk](mailto:info@dorsetdramaacademy.co.uk)

# After School Clubs

Dorset Drama Academy also provides a range of after school clubs for Early Years, KS1 and KS2. Parents pay £4 a week for a fun, well organised drama class.

Each half term, we explore a different theme. Previous themes have included: Emotions, Sounds, Mime, Storytelling, Teamwork, Friendship and much more.

Our after school clubs are designed to be fun and relaxed, with no pressure to perform or take assessments. They are perfect for parents who struggle to make the school pick-up time and would like their children to learn something practical.
